- HAAD License: This license is granted by “Health Authority of Abu Dhabi” for hospital jobs in Al-Ain and Abu Dhabi.. This includes management of facilities, supervise daily operations & promote business through effective marketing strategies.. So we decided to write a detailed article and explain the eligibility criteria for exemption from UAE medical licensing exams.. United Arab Emirates, Abu Dhabi Summary: Urgent requirement for Doctors and Paramedical staff with MOH UAE License/Eligibility with a private hospital in Sharjah. Doctors and healthcare professionals have to take these exams for being licensed in order to be allowed to apply for jobs and practice in UAE.. We offer the most comprehensive suite of innovative workforce solutions, ranging from traditional staffing along with well defined recruitment strategies in designing, implementing and evaluating process for successful placement of non-licensed and licensed healthcare (DHA / HAAD/ MOH), administrative and professional candidates.. According to recent changes, a residence visa can also be issued for 5 and 10 years subject to certain conditions.. PHOTO: The Burj Khalifa But before we go on into details regarding exemptions from HAAD, DHA, MOH & DHCC license exams, let's take a look at the authorities awarding these licenses and their validity in different Emirates.. In addition, these regulatory authorities are also
